CHIEF SECRETARY TO GOVERNMENT —

A.—14. (*a*) None of these Acts provides directly for scaling down the debts; but under Section 12 of the Mysore Agriculturists' Relief Act (Regulation XVIII of 1928) Courts may direct the payment of decretal amounts in instalments. Under Section 14 of the Debt Conciliation Act (Act VI of 1937) the amicable settlements effected between the creditor and the debtor may fix the manner in which and the times at which the debtor should pay the amounts due to the creditor.

(*b*) Section 14 (i) of the Act contemplates the amicable settlement of debts between a debtor and a creditor in the form of an agreement recording the amounts payable and the manner in which and the times at which they are to be paid. The Board is not thus precluded from directing payment in instalments.
